Kiona Vineyards 2016 Estate Red Mountain Heart of the Hill Cabernet Sauvignon

“The 2016 Cabernet Sauvignon Heart of the Hill is poised and delectable on the nose, opening with a rich and chewy expression of dark fruit and an abundance of elegant purple flowers at the core. The full-bodied palate is weighty and chewy with tight tannins that lead to a creamy, round, textured mouthfeel on the mid-palate, giving way to the long-lingering finish with a focused balance and precision. 138 cases produced.” — Anthony Mueller
